

*“Stowell Associates allowed us to give my father what he wanted most: to go home. The heartache of watching a parent slip away was softened by the top-notch caregiving. When I didn’t have the resources anymore to handle things, you made it all work. At the end of his life, I was able to give my dad what he wanted.*

*Thank you.”*

### Care Managers

The professional staff includes social workers and nurses who have decades of experience in health care, social service and retirement facilities. All are nationally certified as care managers.

### Caregivers

Our caregivers are certified nurse aides or personal care workers with many years of experience. They are mature, reliable and dedicated to providing the best care possible.

### Administrative Staff

Our administrative staff, recruiters and schedulers are all highly qualified and have years of experience with our agency. Our own staff member responds to the telephone 24 hours a day, 7 days a week.

## Stowell Associates

Providing *Professional Care Management*  
and *Caregiving* services to:

- Older and disabled adults
- Their families
- Legal guardians, physicians, health care professionals, attorneys, trust officers, accountants, financial advisors and others who have responsibility for an older or disabled adult and need our specialized expertise in chronic care

## Professional Care Management

Our care managers are social workers and nurses who specialize in the care of those with:

- Chronic, complex needs
- Dementia
- Mental illness
- Families overwhelmed by care decisions
- Families who live at a distance and need a local professional they can trust

Our care managers:

- Consult, assess and make recommendations for care
- Arrange and monitor services
- Review financial, legal and medical issues
- Assist in finding alternative living arrangements
- Counsel and support individuals and families

## Caregiving Services

Our caregivers assist our clients through a written care plan developed and supervised by a professional care manager, that can include:

- Personal care such as bathing, dressing, assistance in walking and taking medication.
- Housekeeping, laundry, and shopping for and preparing meals.
- Providing companionship and accompanying clients to appointments, activities and events.

Our caregivers are thoroughly screened. We carefully check references and credentials, and police and driving records. All staff members are bonded and insured and follow our Caregiver Code of Conduct.

Our caregivers have worked for us an average of 3 years and as many as 25 years. We provide good wages, thorough training, paid leave, and health and dental insurance so that you know your caregiver is our valued employee.

**We are an equal-opportunity employer.**

## Confidentiality and Fees

All of our services are strictly confidential. Our fees are based on the time we spend and the services we perform.

## Membership

Our care managers are members of the National Association of Professional Geriatric Care Managers and follow the association's Code of Ethics and Standards of Practice. We can refer families to competent professionals throughout the U.S. through this association.

*We work to improve  
the quality of the  
day-to-day lives of  
our clients and their  
families in ways  
both small and large.*
